'WIGTON WHITES'

An excellent catalogue of 4800 Continental sheep produced an outstanding show of breeding sheep and from the outset, with a cracking pen of Pure Beltex 3 crop ewes from Beck Hill Livestock at £310, the trade surprised all presale predictions with buyers from across the country competing strongly for powerful sheep. Shearling to £650 for a single Beltex from R Skelton & Sons, New Hall Farm, Dearham and in excess of 20 lots of shearlings over £300.

The Friday evening show saw the championship strongly contested with some super pens of sheep forward and our judges Anthony Hewetson, Skipton & Will Fawcett, Sleightholmdale had many minutes of deliberation before eventually selecting their champion pen from Mr P Bartholomew, Carnforth with 10 Beltex sired shearlings. These sold on the day for £350 per head. Reserve Champions were Pure Texel's produced by Messrs Wilkinson, Arkelby and these met with a keenly contested trade at £250.
