LAMBS – 1177

Prime lambs saw a drop in price today of 15 pence per kg with the overall average being 176 pence per kg. A large show of heavy commercial lambs were forward which didn't help the average. Smart lambs didn't see much change on the week but not as many smart sheep forward. Lighter lambs (under 43kg) easier to market with greater interest. Lambs wanted every week, contact Jimmy on 07827 966377.
