STORE CATTLE – 284

A catalogue entry of 284 store cattle met a flying trade for strong cattle and grazing cattle. All cattle dearer than our last sale and more could have been sold to the Vendors advantage. Topping today's sale was a fantastic Angus steer from Mr Ian Grainger, Kiln Close which made £1335 and was bought by David Barker. Topping the heifers was a Limousin heifer from The Laurels Farm which sold for £1245 to RJ Harrison & Sons. More cattle are required every sale, please contact the auctioneers or field staff to advise entries.
