MAY SHOW & SALE OF FEEDING BULLS AND STORE CATTLE

STORE CATTLE – 705

One of the best shows for some time for quality and strength and trade to match with new customers competing strongly with local feeders and established purchasers. Trade strong from the outset with the first store from Messrs Ridley, Woodhall setting the pace selling at £1245 for a 12 month Limousin bullock. 25 lots over £1300 to tops of £1365 twice for Messrs Murray, Prior House. Heifers also to £1365 for a smart 13 month Limousin heifer from Messrs Robinson, Bog Hall.

An outstanding show of feeding bulls met a swift trade and the quality on offer ensured a lasting trade to top at £1215 for a 9 month Limousin from Messrs Hickson, Woodhouse Farm followed closely by Messrs Holliday, Clea Mire (Charolais £1205 x3) and Messrs Watson, Cunningarth (British Blue £1205 x2).

The Jim Walton Toyota & Solway Recycling sponsored May Show was kindly judged by Mr M Robshaw, Tadcaster. A super turnout of cattle provided stiff competition in every class and after much deliberation a 20 month Limousin x heifer from Messrs Watson, Cunningarth was selected as Champion and this strong flashy heifer was sold for £1500. The Reserve Champion was a showy 11 month British Blue x heifer from David Batty, Cobble Croft and received strong interest before being sold for £1700.

Many thanks to all Exhibitors and Purchasers for contributing to another favourable days trading.

Champion from Messrs Watson, Cunningarth with

Jacob Stoddart and Judge Mr Robshaw.
