Not a great show forward today with more than half the sale being Mules or Texel Mules, these types of lambs were all around the 165 to 175 ppk area. Best lambs would be a lot dearer on the week as there wasn't many forward. Handy weight well meated lambs got away very

well. More lambs required each week, please contact Jimmy on 07827 966 377.
