HOGGS – 1298

Today's sale of prime hogs saw a fantastic trade for all classes of hogs with the overall averaging 239.1ppk, with SQQ averaging 253.7ppk or £108.45 this trade proving that it was more than worth having a sale and it's important to keep the live auctions going to give the farmers the choice to sell their stock through a ring. With a mixed show of hogs forward and a new buyer today made all sheep a nice trade. Topping today was Messrs J Dixon & Sons, Lessonhall who topped at £147, topping the pence per kilo was the same home with another pen of Beltex which sold for 332.5ppk. Commercial hogs also met a nice trade with Texel cross mules either side of £2 a kilo and black faced hogs either side of £180ppk, Messrs Bland, Clea Hall had Herdwicks at £176ppk or £74.

Many more hogs could have being sold to the buyers today and more are required on a weekly basic contact Jimmy on 07827 966 377.
