## MULBERRY FARMING PROVIDES ASSET FINANCE FOR THE AGRICULTURAL AND RENEWABLE ENERGY SECTORS

As a Cumbria based family business with over 25 years' experience in the asset finance sector, Mulberry Farming understands the diverse financial needs of farming businesses. We only employ people from farming backgrounds who have a real passion for agriculture.

Whether you are looking to acquire a new or used tractor, plough or baler, finance a land based renewable energy product, or simply need to raise much needed cash by re-financing existing assets, our team are here to help. We have developed strong and trusted relationships with the leading UK and European Finance Companies that specialise in farm finance.

### Examples of assets we have financed

#### FARMING & AGRICULTURAL

- Tractors, trailers, balers & foragers
- Combine harvesters, mowers
- Robotic milking parlours, slurry pits
- Horseboxes
- Vehicles - 4x4's & Livestock trailers

#### RENEWABLE ENERGY

- Biomass boilers
- Wind turbines • Solar panels
- Anaerobic digesters
- Hydropower projects
- Combined Heat & Power

For strong credits we can arrange Unsecured Agricultural Loans for the purchase of dairy & beef cattle, buildings, sheds, extensions, fencing, concreting etc. We can also assist by financing diversification projects including pods & farm shops etc.

We would be delighted to see you for a coffee & chat at our office at Wigton Auction Mart. Or we can meet you on your farm at a time to suit you.
