SPRING LAMBS – 691

A useful entry of sheep albeit short of numbers and a sharp upturn in demand leading to increases in averages particularly for fed sheep with competition fierce for these types, to a top of £193 for a 47kg and 410.6pkg for Messrs Dent, Elm House, with an outstanding Beltex. Plenty of lambs £100 plus over the weights producing area leading averages yet again. Meat is the key, and it is apparent today it pays to feed.

More lambs required each week please contact David Bowman on 07721 616786.
