** Heifer Average - £1264.17

** Feeding Bulls Average - £1153.24

A tremendous run of Store Cattle was forward at Hopes on Thursday 7th September, with a catalogued entry of 480 forward. The run of cattle saw a mixed run with strong store cattle very easily sold but harder grazed types proving more resistance but still falling in line with other markets.

Stan Routledge, Old Silloth Farm, once again took the lead with a tremendous Charolais X Bullock taking the top spot at a staggering £1970.

Terry and Trish Johnstone, Westray, came for another bite of the cherry after being that impressed at the last sale, to take the runner up top spot at a respectable £1930.

A smaller and younger run of heifers were forward but saw size and quality once again very easily sold, with John and Julie Brough, The Clappers topping the heifers at £1700.

Dairy bred cattle were just as good to sell as previous sales with Dairy Bred Bullocks selling to £1770 from Messrs Peile, Parkgate Hall, and Dairy Bred Heifers selling to £1690 from Messrs Dockeray, Applegarth Farm.

Strong Store Cattle are in large demand and many more are required for our next sale on 21st September. Please note our next sale is a special Show and Sale of Store Cattle, competing for the 'Wilson Brough Memorial Trophy'.

Please advise entries to the office by Friday 15th September 12 noon for cataloguing purposes.
