Thursday 15th February saw the catalogued entry of 510 Store Cattle with the special section of twice crossed suckler bred yearling cattle.

Trade from start to finish was off the clock with all cattle selling beyond all expectations. The sale started with the younger end of suckler bred cattle with all cattle selling to a massive demand, with Ray and Beth Faulder, Amazon House consigning a tremendous run of cattle to top the bullocks at a very respectable £1565.

The bigger store cattle were most definitely to the strongest trade ever seen with a top price being achieved of £2120 from Messrs Watson, New House for a Limousin Bullock, who also sold the top priced Heifer for £2100. This consignment of ten cattle later went on to average a staggering £1911.50.

Another high light of the sale was for a pen of 6 British Blue Bullocks out of Dairy cows from Messrs Wright, Tarnrigg Moor, ageing 12 to 13 months, selling for £1210.

The next Store Cattle sale will take place on Thursday 29th February with more cattle required to be sold to the vendors advantage, any questions please contact David Fearon on 07500 173273.
