All animals are sold under the Rules of the LAA as displayed in the Mart (revised in Dec 2017)

TB - All cattle (including OTM Cows) consigned from farms from a 1- or 2-year testing interval, aged 42 days and over, must be TB tested within 60 days prior to movement to this sale and a copy of the test results handed to Auction Mart Staff when the cattle are numbered.

Please note – There is section for OTM Cattle which have not been tested – Cattle for this section must be unloaded at the designated dock and will be penned separately at the mart. They will have a Red Mark sprayed on their head and will be offered for sale at the end of the OTM section. They will have to go either to slaughter or for further feeding at an approved finishing unit.

VENDORS – If you have more than one load of cattle, please ensure all the paperwork is sent with the first load.

FARM ASSURANCE - Farm Assurance is shown on the catalogue as FA and on the Sale Ring Board as F for Farm Assured and N for Non-Farm Assured.
